Austrian Occupational Safety and Health Strategy

Essentials

“Projects” of the five working groups

As of end of 2008

Austrian Occupational Safety and Health Strategy

Project 1 WG 1: “Risk assessment”

Review of evaluation in the cleaning trade

Focus campaign of the Labour Inspection (2008)

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 2 WG 1: “Risk assessment”

Folder “Principles of Risk Assessment”

Conception, printing and distribution of a folder containing elements of risk assessment for the usage of SMEs (2008)

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 3

WG 1: "Risk assessment"

Questionnaire „Risk Assessment in SMEs”

Conception of a questionnaire and enquiry about the implementation of risk assessment in SMEs in practice (2008-2009)

Status: under progress

21.01.2009

17

Austrian Occupational Safety and Health Strategy

Project 4

WG 1: "Risk assessment"

Workshop in the frame of the European Week 2008

Planning and performing a workshop on the occasion of the European Week 2008 – subject "Workers' participation in risk assessment" (2008)

Status: finalised

21.01.2009

18

Austrian Occupational Safety and Health Strategy

Project 5

WG 1: "Risk assessment"

Questionnaire „Risk Assessment“ for investigation by the Labour Inspection (LI), the LI of agriculture and forestry and the LI of transport

Common investigation of legal requirements of risk assessment by labour inspection authorities (2008-2009)

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 1

WG 2: "accident prevention"

Review of organisational precautions in the companies for the use of self-propelled work machines

Focus campaign of the Labour Inspection (2008)

Status: finalised

Austrian Occupational Safety and Health Strategy

Project 2 WG 2: “accident prevention”

Folder “Prevention of accidents in the construction sector”

Conception, printing and distribution of a folder containing elements of risk assessment for the usage of SMEs

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 3 WG 2: “accident prevention”

Folder “Prevention of accidents at wood processing”

Conception, printing and distribution of a folder containing elements of risk assessment for the usage of SMEs

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 4 WG 2: “accident prevention”

Folder “Prevention of accidents in the metal and electrical industries”

Conception, printing and distribution of a folder containing elements of risk assessment for the usage of SMEs

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 1 WG 3: “prevention of diseases”

Manual handling of loads in transport and care, 2007 (European Campaign: Lighten the load)

Focus campaign of the Labour Inspection in the frame of SLIC’s European campaign “Lighten the load” 2007

Status: Report finalised

Austrian Occupational Safety and Health Strategy

Project 2 WG 3: “prevention of diseases”

AUVAfit

Projects by the General Accidents Insurance Board (AUVA) aiming at procedures and participation in the subject “Musculoskeletal and psychological strain in enterprises”, 2007-2009

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 3 WG 3: “prevention of diseases”

Manual handling of loads in retail trade and construction, 2008 (European Campaign: Lighten the load)

Focus campaign of the Labour Inspection in the frame of SLIC’s European campaign “Lighten the load” 2008

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 4 WG 3: “prevention of diseases”

Conference „Back and psyche under pressure“

International Health Symposium on 19th of June 2008, organised by the Chamber of Labour in Upper Austria in cooperation with the General Accidents Insurance Board et al.

Status: finalised

21.01.2009

27

Austrian Occupational Safety and Health Strategy

Project 4 WG 3: “prevention of diseases”

Workshops during a conference in the frame of the European Week 2008 on risks assessment with the subject “Musculoskeletal and psychological strain”

Planning and performing a workshop with the members and the contents of WG 3

Status: finalised

21.01.2009

28

Austrian Occupational Safety and Health Strategy

Project 6 WG 3: “prevention of diseases”

Guidelines on how to prevent successfully musculoskeletal and psychological strain

Develop a concept in consideration of proven strategies on prevention and promotion of workers' health

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 7 WG 3: “prevention of diseases”

Impulses towards stress at work

A project by the Austrian Trade Union Federation and human√ware financed by the General Accidents Insurance Board (2008-2010)

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 8 WG 3: “prevention of diseases”

Implementing the controlling feature method (manual handling of loads) at construction sites

Project by the WG “Construction” in order to implement the controlling feature method (manual handling of loads) at defined activities in cooperation between the Labour Inspection and the General Accidents Insurance Board

Status: under progress; prospective finalisation 2012

Austrian Occupational Safety and Health Strategy

Project 9 WG 3: “prevention of diseases”

„Char with care – healthy hands achieve more“

Focus of the General Accidents Insurance Board

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 1 WG 4: “Improving activities of prevention experts and education of OSH”

Evaluation of training facilities for safety experts

Inquiry by questionnaire (2007-2008)

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 2 WG 4: “Improving activities of prevention experts and education of OSH”

Questionnaire on preventive services

Common investigation by labour inspection authorities (Labour Inspection, Labour Inspection of agriculture and forestry, Labour Inspection of transport)

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 3, 4 WG 4: “Improving activities of prevention experts and education of OSH”

Certification of advanced training

Sensitising to occupational safety and health at schools providing vocational education

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 5 WG 4: “Improving activities of prevention experts and education of OSH”

Integration of occupational safety and health into vocational education

Status: under progress

Austrian Occupational Safety and Health Strategy

Project 1 WG 5: “Raising awareness of OSH”

Best Practice

Awareness raising campaign for enterprises from enterprises

Work healthily and safely – it pays off

Status: first article already published, monthly completed in 2009

Austrian Occupational Safety and Health Strategy

Project 2 WG 5: “Raising awareness of OSH”

Good Practice

Practical solutions to minimise strain from manual handling of loads

Work healthily and safely – it pays off

Status: first article already published, quarterly completed in 2009

Austrian Occupational Safety and Health Strategy

Project 3 WG 5: “Raising awareness of OSH”

Sectoral solutions and failure management (near-accidents and unsafe conditions) for SMEs

Work healthily and safely – it pays off

Status: Beginning prospectively 2009

Austrian Occupational Safety and Health Strategy

Project 4 WG 5: “Raising awareness of OSH”

Explosion protection in SMEs of certain branches

Annual Work Plan 2009

Focus campaign of the Labour Inspection

Status: ongoing project

Austrian Occupational Safety and Health Strategy 2007 - 2012

End

Thank you for your attention!
